ABOUT ME

As a diligent Electrical and Computer Engineer, I recently graduated from the University of Gondar with a commendable 3.5 CGPA. I am seeking a challenging opportunity to demonstrate my skills, competence, and capability within a dynamic environment.

My collaborative spirit thrives when working within a team, where I can contribute effectively while enjoying the diversity of tasks that come my way. I take pride in my ability to optimize workflows, constantly seeking ways to enhance efficiency and productivity. My tenure at Huawei Technologies as an Operation Engineer (Data Analyst) has equipped me with valuable experience and honed my analytical skills.

Eager to embark on new challenges and driven by a passion for continuous learning, I am poised to make meaningful contributions to the success of this esteemed company.
